I understand that I am directly and fully responsible to Bennett Family Chiropractic for all chiropractic care my child receives. It has been explained to me that all fees paid for x-rays taken at this office are for the examination, and that I am only entitled to a copy of the written imaging report, which explains the results of my child's examination. The actual films themselves are considered part of my child's original health record and as such will not be released to anyone, under any circumstances, including me. I further understand and agree that they are **the sole legal property** of this practice and that by law the doctor must retained these films for a period of no less than (8 years)

I hereby authorize this office and its Doctor(s) to administer care, as they so deem necessary to my son/daughter
